

Portal Homepage Prompt

Create a calming Chakra UI + React landing page for a healing-focused initiative.

Instructions:

1. Use Chakra UI to structure a responsive layout.
2. Include a soft hero section with a headline and a call to action.
3. Feature 3 benefits or features with icons.
4. Add a contact or newsletter section at the bottom.
5. Emphasize peace and calmness in spacing, font choices, and visuals.

Bonus:

Animate the sections as they scroll into view using Framer Motion.
